

CLARKSDALE COAHOMA COUNTY

July 18, 2017

Dear Chamber Member:

Our Youth Leadership Clarksdale program needs you! As school gets ready to start back soon, we are getting set to kick off our 25th year of this very worthwhile program and really need your support to be able to continue the program! Please help us offer this program to another great group of students by becoming a sponsor. **It costs approximately \$250 per child for the entire program. Would you consider sponsoring just one student (or more)?** Of course, any and all donations will be appreciated.

The Chamber of Commerce sponsors the Youth Leadership Clarksdale (YLC) program every year to help our youth hone their leadership skills, get involved in community service, and take pride in their community. We hope this program will make a difference in the lives of the participants by making them interested in improving their community through lending service and developing alternative solutions to some of the problems that do exist. Because we want the program to be available to all students, we never ask the students to pay anything...just give their service. This is only possible thanks to the generous donations of our friends interested in helping our youth.

Your support in this effort will be greatly appreciated! Your support can help make a difference! I hope to hear from you soon via e-mail, letter, or phone. Thank you for your kind consideration!

Sincerely,

Tana Pittman Vassel
